## From Father Mark | March 3rd, 2024

Greetings,

Well, it's that time of year again; Annual Diocesan Appeal time. Our parish assessment this year is \$103,528. This is about a decrease from last year. While it is nice to have a decrease, this is based on our tithing income. So a decrease in our assessment means we have had a drop in tithing income. As for the ADA I am asking all parishioners to review your gift from last year and if possible to increase it as you are able. I will be increasing my gift to the ADA this year. If you were not able to make a gift last year, I ask that you do your best to make one this year as every gift, no matter the amount, does help and is also an opportunity to participate in the work of our diocese and Church. Last year we had 331 parish household participate. This is 30 percent of our official parish registration. Let's do our best as a parish to bring this number up.

Thanks!

Please remember that the ADA supports many programs and ministries that one parish alone cannot sustain. From health insurance for our active and retired priests, to marriage preparation, to support for parish faith formation programs and our parish schools, to catholic charities and so many others.

I want to thank you in advance for what I am confident will be another generous effort by Holy Trinity parish!

Have a good week,

A handwritten signature in dark ink that reads "Fr. Mark". The signature is written in a cursive, flowing style.

Fr. Mark Neal

## *Third Sunday of Lent*

Lent: Forty days before the Triduum, the Lenten season disposes Catechumens and the faithful to celebrate the paschal mystery through prayer and penitential practices.

Third Sunday of Lent

Reading I : Exodus 20:1-17

Keep my commandments.

- In every covenant, there are laws, duties, and responsibilities that must be followed.
- The Ten Commandments express the central law of the covenant made on Mt. Sinai.
- They outline the characteristic relationships with God and with neighbor.

Reading II : 1 Corinthians 1:22-25

Christ is the power of God.

- Signs are an important part of Israel's theology, as Paul notes in today's passage.
- In Israel's life, signs always convey the message of the presence and power of God.
- For those who can see, Christ is the ultimate sign of the presence and power of God.

Gospel : John 2:13-25

In three days, I will raise it up.

- For Israel the temple is a sign of the presence of God.
- Jesus cleanses the sign because it is no longer conveying the message.
- Another message is added, "Destroy this temple, and in three days I will raise it up." Jesus transfers the sign of God's presence from the temple to his own body, raised from death.

# Bring Home the Gospel | March 3rd, 2024

Reading I Exodus 20:1-17 | Psalm 103 | Reading II 1 Corinthians 1:22-25 | Gospel John 2:13-25

**Question For The Children** Share one way in which you “honor your father and mother.”

**Question For The Youth** Jesus was angry – as we all get at times. When is your anger a good thing? When is it not?

**Question For The Adults** As you hear the Commandments proclaimed today, which one of them really strikes you?

**Activity Of The Week** Help family members learn about ways we honor God in church. Talk about ways we honor God at home.

## **Saint Of The Week John of God, Religious, 1495-1550**

John, born in Portugal, was a soldier in the wars between Spain and France as well as in the war against the Turks in Hungary. Later he was a shepherd in Seville and also served as an overseer of slaves in Morocco.

During the early years of his life, John had given up the Christian faith. But, when he was about forty years of age, John decided to atone for his immoral life by going to Africa to rescue Christian slaves and to seek martyrdom. Instead, he got as far as Gibraltar where he peddled religious books and holy pictures. In 1538, he went to Grenada and opened a religious goods store.

Soon after, he heard a sermon by St. John of Avila that filled him with remorse. He engaged in a public beating of himself, begging forgiveness for his sins and wildly repenting his former ways. For this, he was thrown into an insane asylum. Helped by John of Avila, who suggested that he apply his energies to helping others rather than to practicing the harsh penances that he had imposed on himself, John of God found new purpose in his life. Upon his release from the asylum in 1539, he devoted himself to helping the sick and the poor.

John opened a house to care for these ill-fated people, at first begging for alms to supply the basic needs of his house. Soon, his wisdom, zeal, dedication, and holiness in serving the unfortunates so impressed the people of Grenada that the wealthy clamored to support his efforts. The work of John and his supporters was the beginning of the Order of the Brothers Hospitallers, also known as the Brothers of St. John of God, an order that has spread throughout the world.

St. John of God is the patron saint of booksellers, heart ailments, hospitals, nurses, printers, and the sick. An optional memorial celebrates the life of this saint on March 9.

**Saint’s message today:** God never gives up on anyone, but loves all of us equally as his children. Like many of our own children, it took John a little longer to determine what it was that God was asking him to do with his life. Nevertheless, once he had chosen the right course, John launched into it with fervor.
