## GREETINGS

In our workshop last week, the priests of the diocese looked at the four Levels of happiness. They range from levels one and two; the most basic levels of strictly self-interest; that happiness that comes from the temporary, the things, such as buying a new car or eating a really good meal. These could also include such things as personal recognition for some act or accomplishment or the excitement of a new job. These times of happiness come and they go, and then we need something to take their place.

We also looked at the highest level of happiness we can achieve; the fourth level of transcendence, or the finding of God and eternal truth in our lives. This is, of course, the most difficult happiness to achieve. This is the true happiness of serving God found by the Mother St. Theresa's of the world. For most, we will find this happiness in eternity when we come face to face with God. For most of us, we strive for the third level of happiness in this life; that happiness that comes from doing good for others, moving beyond ourselves and contributing to the greater good. This is the happiness that we find in giving of ourselves, giving to others and being part of something bigger than ourselves.

Our Church is bigger than any one person. Our parish is bigger than any one person. Our support of Holy Trinity today allows us to be part of something beyond ourselves. It allows us to join those who have been part of Holy Trinity for nearly 100 years and to join with those who founded Holy Trinity and set the foundation for the parish we know today. Our support today allows us to continue the good work of our parish for those who will make up Holy Trinity in the coming decades.

I ask that you consider your tithing for the upcoming year and that you ask 'how might I move beyond myself and how might I contribute to the greater good? How might I contribute to the future of Holy Trinity parish? How might I find that happiness that comes when I move beyond myself and look to something much bigger?'

Thank you again for your continued generosity in support of our parish.

**\*\*One further item:** we will have a Mass of Anointing here at Holy Trinity on October 18 at 10AM. We are trying a different day and time than usual to see if more people are able to attend.

Have a good week

*FR. Mark*

Please direct any questions to [pto.htschool@gmail.com](mailto:pto.htschool@gmail.com)

### THE VALUE OF A CATHOLIC EDUCATION

Have you thought about the true value of a Catholic education? As we were discussing it the other day at school, we realized the cost is easier to comprehend when we put it in the context of other things we already spend money on. For example, did you know your child can attend Holy Trinity for the same daily cost as two of your favorite coffee drinks? Or that you can send your child from preschool through 8<sup>th</sup> grade (*that's over a decade of education!*) for the cost of a new car? We ask that you pray over this: if the cost is the same, which choice would provide greater reward and satisfaction for your family and promise for your child's future? Thank you, and God bless!--Dr. Anne Franklin, Principal

## BRING THE GOSPEL HOME OCT 13 2019

READING I: 2 Kings 5:14-17

PSALM: 98:1, 2-3, 3-4

READING II: 2 Timothy 2:8-13

GOSPEL: Luke 17:11-19

### QUESTIONS TO CONSIDER

**Question for Children:** Make up a prayer which tells God you are thankful for everything you have, even if it's not all you want.

**Question for Youth:** Only one of the lepers returned to give thanks. This past week, when have you stopped to thank someone for something good they have done for you? When have you thanked God this week?

**Question for Adults:** What are some ways you can think of to show gratitude to God? Make them concrete and real.

### SAINT OF THE WEEK

#### **Kateri Tekakwitha, Virgin c. 1656-1680**

Kateri Tekakwitha is known as the "Lily of the Mohawks". She was beatified by Pope John Paul II in 1980 and is the first Native American to be beatified in the Catholic Church. She is a patron of ecologists and environmentalists.

**Kateri's message today:** When the vast majority of her tribe and the members of her family were against her, she stood resolute in her determination to dedicate her life to Jesus because of her strong faith she had in her short lifetime.

*Is your faith strong enough to stand up to your acquaintances—perhaps even your family—when they try to discourage you?*
