

Dear Parents,

Our PBIS (positive behavioral interventions and supports,) committee has been hard at work exploring options to continue and motivate our students to make positive choices during the school day.

It can become a bit of a challenge to keep our students excited to earn those tickets and money so that they are ensured a fulfilling reward experience on our shopping days which occur every two weeks.

Here is where you can help! We are asking for donations from the attached list of items to include as shopping/reward options. Participation is completely optional but if you are willing and able to send any of the items to school with your child or drop off in the office we would be most appreciative.

Thank you for your consideration.
