## SHOW US YOUR FLEX

### 2019 Holy Trinity Walkathon — October 12 at 4:30pm

#### OUR GREATEST COMMUNITY EVENT IS HERE —THE ANNUAL HOLY TRINITY WALKATHON!

The fundraising goal this year is to provide flexible seating for our students, starting in the cafeteria and moving into the classrooms.

#### WHY IS FLEXIBLE SEATING SO IMPORTANT?

studies have shown when you put the choice of seating in front of students class participation increases by up to 48%. Other benefits include:

- Encourages students to focus, stay calm and productive
- Empowers students to have control of their surrounding
- Flexible seating provides physical activity
- Builds community and collaboration in the classroom • Helps make learning fun!

By supporting the walkathon you are supporting our greatest assets, our students! EVERY ONE of the kids at Holy Trinity will benefit from this project, and we need your help to reach our goal!
